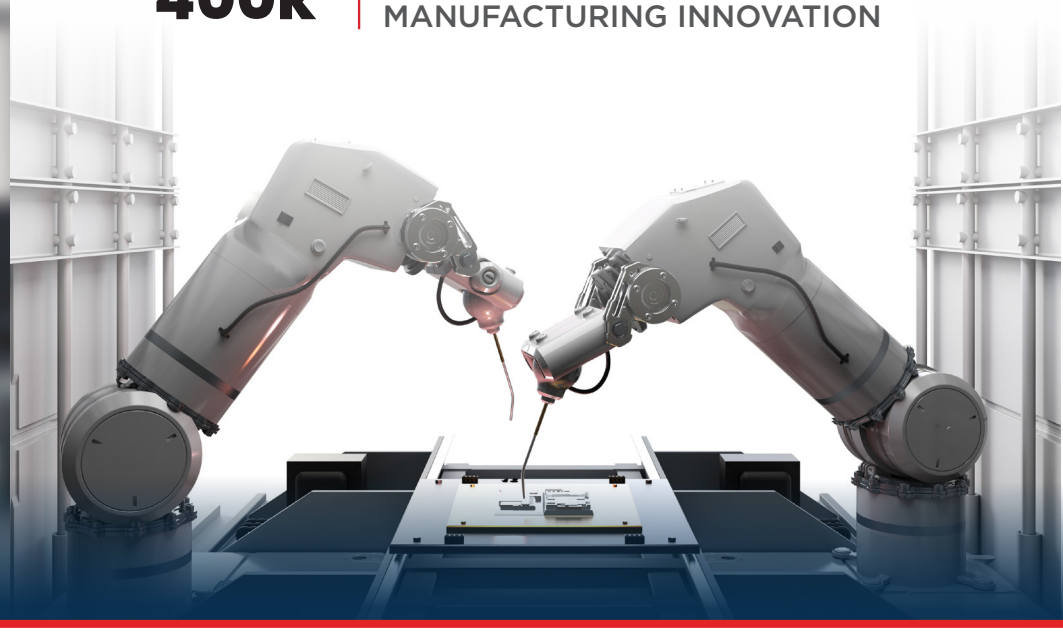
## WHY **CMTS?**

**For over 40 years, CMTS has been Canada's national platform for manufacturing innovation.**

## LEAD THE FUTURE OF MANUFACTURING

| | |
|---|---|
| **4** | ACTION-PACKED DAYS |
| **50+** | EDUCATIONAL SESSIONS |
| **250+** | CUTTING-EDGE NEW PRODUCTS |
| **750+** | LEADING SUPPLIERS & OEMS |
| **10k+** | MANUFACTURING PROFESSIONALS |
| **400k+** | SQUARE FEET OF MANUFACTURING INNOVATION |



**SEPT 2027 27-30**

**Toronto Congress Centre**
TORONTO, ON

CMTS
CANADIAN MANUFACTURING TECHNOLOGY SHOW

# PUSH. PIONEER. PROGRESS.

## EXHIBIT

**Over 85% of the floor is sold.** Secure your space while position is still yours to choose.

## SPONSOR

**Reach 10,000+ manufacturing professionals** through on-site, digital and hybrid sponsorships.

## SPEAK

**Share implementation detail across 50+ sessions** and build credibility with buyers.

## NETWORK

**Four days** of qualified conversations with the people who specify what their plants buy.

**THE WHOLE INDUSTRY.** ONE ROOF. **FOUR DAYS.**

# A SNAPSHOT OF CMTS 2027 EXHIBITORS

3D Printing Canada
Acumatica
Dynamic Machine of Detroit
Elliott Matsuura
EMEC Machine Tools
FANUC Canada Ltd
Ferro Technique Ltd
Flow International
GF Machining Solutions
Hermle USA Inc
Hexagon Manufacturing Intelligence
Iridium CNC Inc
Kuka Robotics Canada
Machine Tool Systems Inc
Makino
Mazak
Megatel CNC Solutions Inc
Mitcham Machine Tools
Mitutoyo Canada Inc
Odoo
Renishaw Canada Ltd
Schunk Intec Corp
Shelley Automation
SMW Autoblok Canada Corp
Sodick Inc
Spark & Co
Stratasys Direct Manufacturing
YG-1 Canada
Zeiss Industrial Quality Solutions
Zoller Inc

# TECHNOLOGIES OF THE FUTURE

Six technology showcases across the show floor. Exhibit where your buyers are already looking.

### MACHINE TOOLS & TOOLING

- CNC programming software
- Cutting tools and accessories
- EDM
- Grinding machines
- Machining centres and milling
- Turning machines and lathes
- Workholding systems
- Metal supplierss

### SMART MANUFACTURING EXPERIENCE

- AI and IIoT
- Big data analytics
- Cybersecurity
- Digital twins
- Automation and robotics
- AR, VR and XR

### rapid + tct SHOWCASE

- Industrial 3D printing
- Additive materials
- Design for additive
- Post-processing
- Inspection and metrology
- Prototyping

### AeroDef Manufacturing

- Precision machining
- Composites
- Hard-to-cut materials
- Certification and traceability
- Assembly systems

### CLEAN TECH ZONE

- Energy-efficient equipment
- Electrification
- Emissions and waste reduction
- Sustainable materials
- Remanufacturing

### DISCOVERY ZONE

- International pavilions
- Global suppliers
- Sourcing partnerships
- Export opportunities

CMTS
CANADIAN MANUFACTURING TECHNOLOGY SHOW

## A Cross-Section of Previous Attendee Companies

Airbus Helicopter
Autodesk
Bombardier Aerospace
Collins Aerospace
Deloitte
Epson Canada
Ford Motor Company
GE Aerospace
General Motors Canada Ltd.
Goodwin Tool & Machine Ltd.
Hatch
Honda
Honeywell
Husky Technologies
Hydro One
L3Harris
Linamar
Magna
Martinrea
Mercedes-Benz AG
Mitsubishi Materials
Musashi Auto Parts Canada
Nestlé
Omron
Petro-Canada
Pfaff Technologies
Pioneer Performance Inc.
Pratt and Whitney
Ricoh
TD Bank
Telus Communications
Tesla Toronto Automation
Toyota North America
Tycos Tool & Die

**74%**
ARE **DIRECTLY INVOLVED** IN THE ORGANIZATION'S PURCHASE DECISIONS.

**99**
**AVERAGE NUMBER OF SCANS** EXHIBITORS RECIEVE ACROSS THE FOUR DAYS.

**67%**
HOLD EQUIPMENT BUDGETS OVER $20,000. **35% HOLD EQUIPMENT BUDGETS OVER $200K.**

IF IT IS MOVING CANADIAN MANUFACTURING FORWARD, **IT IS HERE.**

# EDUCATION THAT **MOVES THE INDUSTRY FORWARD**

**Day 1 | Mon, Sept 27**

### Aerospace, Space, Defence & Supply Chain Resilience

Rising defence investment, reshoring strategies, and tariff contingency planning - built for manufacturers ready to compete for the next wave of procurement.

**Day 2 | Tue, Sept 28**

### AI, Automation, Smart Manufacturing & 3D Printing

Practical, ROI-focused sessions on AI, cobots, digital twins, and additive manufacturing - cutting through the hype to what's actually working on the shop floor.

**Day 3 | Wed, Sept 29**

### Geopolitical Markets, Government Support & Workforce Development

Export diversification, government funding, and closing the skills gap - the strategic and operational issues keeping Canadian manufacturers up at night.

**Day 4 | Thu, Sept 30**

### Critical Minerals & Sustainable Manufacturing

Canada's critical minerals opportunity and decarbonization strategies that pay for themselves – a forward-looking close to four days of insight.
