“LIFO” exhibitors or “Last in, First out”

LIFO exhibitors are simply exhibitors that are located in high traffic areas of the event load in and load out zones. These exhibitors are established as the final wave of move in slots and the first wave of move out slots and are given exclusive dock locations.

All exhibits must be completed by 4:00 pm, Sunday, October 3, 2021. Aisle carpets will be laid after 4:00 pm, Sunday and absolutely no dollies or pump trucks will be permitted in the exhibit area after that time.

MOVE-IN SCHEDULING

All exhibitors moving any piece of machinery that exceeds 5,000 lbs **must** schedule their move-in with GES Canada. GES Canada will coordinate the move-in timing to ensure a smooth process.

Contact GES at:
(905) 283-0500 or
[torontoexhibitorservices@ges.com](mailto:tontoexhibitorservices@ges.com).

To help facilitate your move-in and set up, all other exhibitors will be given a recommended move-in time based on their location on the show floor.

MARSHALLING PROCEDURE

Proceed towards East side of Hall 5 (Marshalling Yard), to obtain ticket from Marshalling official. Marshalling official will advise you which loading dock and a specific time to enter area.

FREIGHT REQUIRING A FORKLIFT

A marshalling official will be checking vehicles and will direct you to the proper loading door.

Heavy equipment and awkward displays should be delivered on the date and time that has been specified on the official move-in schedule set out by Show Management.

After your material is uncrated and properly identified with a storage label a materials handling crew will pick up your crates for storage.

HAND-CARRIED MATERIALS

If you do not require a forklift to move your materials to/from the show, the following has been set up for your convenience:

Push dollies will be available at the loading doors. Unload your vehicle as quickly as possible and return your dolly. A crew is available if you require help. (Check with the Official Show Contractor for applicable rates.) For security reasons, you will be required to wear your exhibitor badge in a prominent location when entering and/or leaving the building.

EMPTY CRATE STORAGE

Containers will be picked up, stored, and returned to you as a complimentary service. Forklift operators will be working as rapidly as possible, but please be patient as there are several hundred exhibitors to be serviced.

Identify every empty case, skid, crate or carton you wish returned to your booth at the end of the show by completing and affixing the proper storage labels to the **SIDE** of the skid, crate or box. Storage labels are available at GES Canada material handling desk, GES customer service desk or Show Office.

Exhibitors are advised that storage areas are not and cannot be secured. We suggest that no valuable materials of any kind should be consigned to storage.

Due to Fire Regulations crates cannot be stored behind your booth.

LABOUR AND TIPPING

Exhibitors are required to abide by the prevailing labour conditions and rates effective in the exhibit hall. All employees of Show Service Contractors are adequately paid and there is no need to tip. Please report immediately to Show Management any discourtesies or attempts to imply that service will be speeded up or improved by tipping or gifts.

US AND INTERNATIONAL FREIGHT

Exhibitors who are shipping goods to the show from outside of Canada are strongly advised to use the official customs broker for the show. Representatives will be on-site throughout the show to ensure all your customs needs have been looked after.

POV (Privately Owned Vehicles)

Exhibitors may unload materials from automobiles and small utility vehicles before and reload these materials into automobile and small utility vehicles after the event using exhibitor-owned, non-motorized, non-hydraulic hand trucks and dollies. Vehicles must be owned by exhibitors and must not be commercially registered trucks, trailers, flatbeds, or multiple axle vehicles. Accepted examples include pickup trucks, SUV's, and minivans. Vehicles must check into the Marshalling Yard as list below.

MATERIAL HANDLING

All material handling transactions are between the materials handling contractor and the exhibitor. In case an exhibitor's representative is not present, Show Management reserves the right to order his equipment and/or material to be moved from the receiving door to the exhibitor's area. The charge for this service will be invoiced to the exhibitor by the official materials handling contractor. All material handling payments are the responsibility of the exhibitor.

PAYMENT OF SPACE

All payment of exhibit space must be made **90 days prior to move-in** as contracted. Show Management reserves the right to refuse move-in and use of space to any exhibitor who has not made full and final payment.
